The Championship Show will be open to anyone, but only those who have qualified will be eligible to compete for the Championship prizes and titles.

There will be high point rosettes (1st-3rd) and a 1st prize in each category for the horse/rider combinations who have accrued the most points over the 6 qualifying shows. These will be presented at the Championship Show.

Entries close at 1.00pm on the Wednesday before each show and times can be found on the website: www.bodiaminternationalarena.com from Thursday evening. Alternatively you can phone through for your times on 01580 830710 between 10.00am-12.00pm on Friday.

Riders will be awarded points throughout the 6 qualifying shows on a sliding scale basis. 1st place = 10 points / 10th place = 1 point. There will be a separate leader board in each category (Walk Trot – Elementary):

The overall top ten riders from each category after the 8th March Show will be eligible to return for a clean slate dressage competition to compete for the Championship prizes and titles. An ongoing leader board can be viewed at www.bodiaminternationalarena.com.

Please note that in the event of equality of total marks, the collective marks will be added together and the horse with the higher collective marks will take the higher placing. In the event that the collective mark is also equal the horses concerned will be given the same placing.

- Walk/Trot is open to any horse/rider combination who has not won at Prelim or above.
- Prelim is open to any horse/rider combination who has not won at Novice or above.
- Winning at a higher level will exclude you from the Series Championship of any lower level in which you have previously competed (excluding Elementary).
- If you win the Bodiam Walk/Trot or Championship Prelim class 3 times within the current series, with a score of 70% or above, we would ask that you move on to the next level to encourage a competitive environment. In this case you will automatically gain qualification to the Championship at the level you have moved from, unless you then win the level above.
